Oh, I ain't gonna lie, I been havin' problems  
Givin' a fuck anymore  
It's a real big issue, I can't trust anyone  
Oh, I been havin' problems, feelin' love anymore (Oh-oh)  
Oh, I ain't gonna lie, I been havin' problems  
Givin' a fuck anymore  
It's a real big issue, I can't trust anyone  
Oh, I been havin' problems, feelin' love anymore (Oh-oh)

I just need someone with me, somebody come over  
I can barely breathe, all I need is a shoulder

Oh I'm awake at night, thinking 'bout my life  
Hopin' I would die, sometimes I wish it was over  
No, I don't really feel the vibe, in the city down to ride  
When I need 'em by my side

Oh, I ain't gonna lie, I been havin' problems  
Givin' a fuck anymore  
It's a real big issue, I can't trust anyone  
Oh, I been havin' problems, feelin' love anymore (Oh-oh)
