Empty

Trevor Daniel

You only call when the cup's empty
Yeah, yeah, yeah, yeah
You only call when your bed's empty
So do you ever think it's
Time we stop pretending
That these late nights don't leave us empty?
Empty, empty, yeah, yeah
I don't wanna feel
Empty, empty, yeah, yeah, yeah, yeah
So do you ever think it's
Time we stop pretending
That these late nights don't leave us empty?

Tell me what you want, tell me what you need
Used to love it when you'd call, now, I don't feel a thing
Another night, another one, 'nother repeat
Come kick it for awhile, just to watch you leave
Done with shallow nights, I'm diving off the deep end
Tired of treading water, I'm moving forward, tryna swim
Wanna feel something, baby, cut the loose ends
I don't got the time to wait for you to call again
Okay, I can tell you just want company
I can tell you don't mean a word you say
I'm looking for substance, you don't feel the same, no

You only call when the cup's empty
Yeah, yeah, yeah, yeah
You only call when your bed's empty
So do you ever think it's
Time, we stop pretending
That these late nights don't leave us empty?
Empty, empty, yeah, yeah
I don't wanna feel
Empty, empty, yeah, yeah, yeah, yeah
So do you ever think it's
Time, we stop pretending
That these late nights don't leave us empty?

I won't do this over again
Said at least a thousand times that this was the end
And trust me, 'cause I swear to God, I'm not giving in
Nothing you could do to change my mind about this, no
Baby, let's be honest, it ain't love if we're numb
I really need something deeper than what we've got
When you hit me up and I'm ignoring every call
Take it as a hint that I don't want to be involved
I'd rather be alone than be with you
You don't love me, you just hate sleeping alone
And, baby, we both know, we're not on the same page
So we need to go our separate ways

You only call when the cup's empty
Yeah, yeah, yeah, yeah
You only call when your bed's empty
So do you ever think it's
Time, we stop pretending
That these late nights don't leave us empty?

Empty, empty, yeah, yeah
I don't wanna feel
Empty, empty, yeah, yeah, yeah, yeah
So do you ever think it's
Time, we stop pretending
That these late nights don't leave us empty?
