Falling

Trevor Daniel

My last made me feel like I would never try again
But when I saw you, I felt something I never felt
Come closer, I'll give you all my love
If you treat me right, baby, I'll give you everything
My last made me feel like I would never try again
But when I saw you, I felt something I never felt
Come closer, I'll give you all my love
If you treat me right, baby, I'll give you everything

Talk to me, I need to hear you need me like I need ya
Fall for me, I wanna know you feel how I feel for you, love
Before you, baby, I was numb, drown the pain by pouring up
Speeding fast on the run, never want to get caught up
Now you the one that I'm calling
Swore that I'd never forget, don't think I'm just talking
I think I might go all in, no exceptions, girl, I need ya

Feeling like I'm out of my mind, cause I can't get enough
Only one that I give my time, 'cause I got eyes for ya
Might make an exception for ya, 'cause I been feeling ya
Think I might be out of my mind, I think that you're the one

My last made me feel like I would never try again
But when I saw you, I felt something I never felt
Come closer, I'll give you all my love
If you treat me right, baby, I'll give you everything
My last made me feel like I would never try again
But when I saw you, I felt something I never felt
Come closer, I'll give you all my love
If you treat me right, baby, I'll give you everything

I'll never give my all again
'Cause I'm sick of falling down
When I open up and give my trust
They find a way to break it down
Tear me up inside, and you break me down
