

Paranoid

Trevor Daniel

Oh, oh
Whoa, oh
Oh, oh
Whoa, oh
Oh

No, I can't sleep at night, can't get you off my mind
And I'm worried that you might, I'm worried that you might
No, I can't sleep at night, can't get you off my mind
And I'm worried that you might, I'm worried that you might
Say you don't love me no more, no reason to come home
And you're better off if I stay gone, baby, I'm paranoid
Say you don't love me no more, no reason to come home
And you're better off if I stay gone, baby, I'm paranoid

Tell me everything's alright
Telling me it's all fine
But I don't wanna be blindsided
Just tell me you'll stay by me, ayy
Ooh, I'm terrified, I, ayy
Outta-sight don't work this time

No, I can't sleep at night, can't get you off my mind
And I'm worried that you might, I'm worried that you might
No, I can't sleep at night, can't get you off my mind
And I'm worried that you might, I'm worried that you might
Say you don't love me no more, no reason to come home
And you're better off if I stay gone, baby, I'm paranoid
Say you don't love me no more, no reason to come home
And you're better off if I stay gone, baby, I'm paranoid

Maybe it's all in my head
Wouldn't be the first time it played tricks on me
Wouldn't know what to do
Wouldn't let them see, probably say I didn't need you
I, I, probably say I didn't need you
I, I, probably say I didn't need you

No, I can't sleep at night, can't get you off my mind
And I'm worried that you might, I'm worried that you might
No, I can't sleep at night, can't get you off my mind
And I'm worried that you might, I'm worried that you might
Say you don't love me no more, no reason to come home
And you're better off if I stay gone, baby, I'm paranoid
Say you don't love me no more, no reason to come home
And you're better off if I stay gone, baby, I'm paranoid

Baby, I'm paranoid
Baby, I'm paranoid
Yeah, I'm better gone
Oh, no, no-oh-oh
Oh, no, oh, I'm paranoid
Oh, no, no-oh-oh
