

Thirsty

Trevor Daniel

Yesterday was fucked, blacked out on the couch, yeah
I forgot your name, you might have to remind me
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, ah, ah
Woah, woah, woah, woah, woah

Yesterday was fucked
Blacked out on the couch yea
I forgot your name, you might have to remind me
Pour another drink, she looks real thirsty
I rock Fear of God, but I'm not "Godly"
That right there's my bad, my bad
Might have to cop the Tesla just so we don't crash
That right there's my bad, my bad
Might have to cop the Tesla just so we don't crash

Talking to the devil on my shoulder
"GTFO my face."
Angel on my other shoulder telling me I'm a "disgrace"
Everybody wants a piece of the pie, I prefer the cake
Water on my neck got a PH balance of 8, it's like a lake
I'm a star, I'm a fuck her like a pornstar bitch
Eat it real good, I'm a 5 star bitch, stole a bitch heart, I'm a ransom bitc
h
Warped tour, got these bands coming in
Yea, yea, yea, yea, yea, yea, yea
Diamonds on my neck like a dancer bitch
Yea, yea, yea, yea, yea, yea, yea
It really ain't shit, give her dick then dip
AMG GT 53, is real fast
Might pull off on a bitch and leave her in the past
