

## 2 Oceans

Trevor Hall

Swimming in 2 oceans  
All that emotion  
Drowning to survive  
(Oh)  
The tides inside my mind  
My hands are reaching out  
How can I speak about  
(Oh oh)  
Waves crashing on my body  
I shiver from that cold cold world  
That old world

You'll never survive  
If you don't try  
To calm the waters on the inside  
On the inside you're the moonlight  
On the outside gotta hold tight  
Let the storm pass yeah

Then you'll walk on water  
Water  
Then you'll walk on water  
Water  
Then you'll walk on water

Then you'll walk on water  
Water  
Then you'll walk on water  
Water  
Then you'll walk on water

(Ooh ooh ooh)  
Balanced  
I'm challenged  
I try  
To shift the currents of my mind oh  
Don't suffer with the times  
Don't settle for this cruel cruel world  
This old world

You'll never survive  
If you don't try  
To calm the waters on the inside  
On the inside you're the moonlight  
On the outside gotta hold tight  
Let the storm pass  
Yeah

Then you'll walk on water  
(Water)  
Then you'll walk on water  
(Water)  
Then you'll walk on water  
(Then you'll walk upon the water)  
Then you'll walk on water  
(Water)  
Then you'll walk on water

(Water)  
Then you'll walk on water  
  
Then you'll walk on water  
Then you'll walk on water  
Then you'll walk on water  
(Yeah)  
Then you'll walk on water  
(Water)  
Then you'll walk on water  
(Water)  
Then you'll walk on water  
(Then you'll walk upon the water)  
  
Then you'll walk on water  
  
Then you'll walk on water  
  
Then you'll walk on water  
  
Then you'll walk on water  
  
Then you'll walk on water  
(Then you'll walk upon the water)  
  
Then you'll walk on water  
  
Swimming in 2 oceans  
Then you'll walk on water  
How can I speak about it  
Then you'll walk on water  
How can I speak about it  
Then you'll walk on water  
When I'm drowning to survive oh  
Then you'll walk on water  
The tides inside my mind
