

7 flowers

Trevor Hall

Oh no no
I feel a good wind blowing
I feel a good wind blowing
Let us take our time

From the base to the top of the mountain
7 flowers bloom, so nice to be with you
So nice to be with you

From the base to the top of the mountain
7 flowers bloom, so nice to be with you
So nice to be with you

So nice to be with
So nice to be with you

I feel a good wind blowing
Let us take our time
I feel a good wind blowing
Let us take our time
Let us take our time

From the base to the top of the mountain
7 flowers bloom, so nice to be with you
