

Hold On

Trevor Hall

Ho, ho, ho, ho
Yeah, moving to move, nothing to gain
Loving to love, don't need a name
It's coming in, like clouds bringing rain
Gotta hold on, gotta hold on, oh no
Ho, gotta hold on, ho

Tell me what's right, tell me what's wrong
Too many words, talking so long
Changing my ways, new road I'm on
Gotta hold on, gotta hold on
Changing my ways, new road I'm on
Gotta hold on, gotta hold on

I wanna be there, wanna see it for myself
Too many years spent chasing thoughts around my head
Like Baba would say, we're just walking each other home
So you gotta hold on

I'm changing my ways, new road I'm on
Gotta hold on, said you gotta hold on
Ho (gotta gotta hold on)
Ho (gotta gotta hold, gotta gotta hold on)
Ho (gotta gotta hold, gotta gotta hold on)
Ho (gotta gotta hold, gotta gotta hold on)
Changing my ways (changing my ways), new road I'm on
Gotta hold on, gotta hold on
Changing my ways, new road I'm on
Gotta hold on, gotta hold on
Gotta gotta hold, gotta gotta hold on
Gotta gotta hold, gotta gotta hold on
Gotta gotta hold, gotta gotta hold on
