No, it's like people wanna believe in something real...

From the beginning, exactly

You know what I mean so, like yo, I'm proud of you. I respect you for sticking it through and, like, continuing to fucking chun out dope and dope shit because if you realize that list that they turned into [*cut*] before like I said none of those songs are on this new list except [*cut*]

Yeah

And the thing is that you pretty much written, arranged, mixed, mastered and recorded your fucking self and created this style that it's like, like that video I sent you today. I don't know if, you probably didn't get a chance to watch it, it's Chuck Berry, but you're like that nigga bro. When I'm seeing his energy on stage and I'm seeing you with a guitar. You're turning into that, but you can also hit all the cool moves the kids know and people can believe it. Not to mention this nigga is an Emmy nominated actor, a serious time actor; been doing it since he was a kid. Bro, you are the shit, bro. And I refuse to let anyone tell you that you're not, or that you're like, not on the right path or any of that shit because you are. Ooh, my gosh. When that moment happens and when people when people you start getting the notoriety that you know that you deserve. Cause I see it in you

Yeah

You're like, "Ok. that ain't it? Boom. I'm coming back harder with this." You've always had this mentality about you. So like you're gonna get rewarded for that, bro. And like I can only imagine, the man; what that, I know that I know that you're trying to mature into is gonna look like
