

# Anakin

Trevor Jackson

You know what time it is nigga  
You think you thugs  
You actin like you know something

I feel just like Anakin  
Am I good or bad man who knows  
I feel like I got way too many hoes  
I got all the power they just don't know  
I feeeeel just like Anakin  
Oh oh oh oh  
I feel like I'm Anakin, yeah  
I steal yo girl and skywalk outta here  
We way to high  
I think I found me a pretty princess Leia  
Put the lightsaber straight to her face  
Just like Anakin  
I feeeeel just like Anakin  
You hear what I said  
I feeeeel just like Anakin  
You know what I mean  
I feel like Anakin, oh yeah, oh yeah

I feel like that right time is-  
Right now though  
I feel like there's a chick that-  
Agree with me in this crowd, yo  
She been in the world too long  
Baby don't work too hard  
I told her them nails too long  
How can you text somebody  
Nevermind all that  
Ain't got the time now baby  
I just got the force, the force, the force  
You feel it of course, of course, of course  
I knock it out  
Put you on Worldstar  
Got you tapping out like it's morse code  
Cause I got the biggest as far as swords go

And I feeeeel just like Anakin  
Am I good or bad man who knows  
I feel like I got way too many hoes  
I got all the power they just don't know  
I feeeeel just like Anakin  
I feel like I'm Anakin, yeah  
I steal yo girl and skywalk outta here  
I think I found me a pretty princess Leia  
Put the lightsaber straight to her face  
Just like Anakin  
I feeeeel just like Anakin  
You hear what I said  
I feeeeel just like Anakin  
You know what I mean  
I feel like Anakin, oh yeah, oh yeah

I feel like James Earl Jones, hold up  
Need you to watch this; Plot twist

I'm yo Pop; you father  
Come and get yo daughter  
Cause she twerkin' like she need some water  
I.J. taught her don't work harder jus' work smarter  
Voices in my head  
Tryin' to get me to do bad  
I don't wanna do bad but  
It feel good  
When I'm fallin' off the tracks  
When I'm in everything  
Like I'm Samuel L. Jackson

... Anakin  
Am I good or bad man who knows  
I feel like I got way too many hoes  
I got all the power they just don't know  
I feeeel just like Anakin  
Oh, oh, oh, oh  
I feel like I'm Anakin, yeah  
I steal yo girl and skywalk outta here  
We way to high  
I think I found me a pretty princess Leia  
Put the lightsaber straight to her face  
Just like Anakin  
I feeeel just like Anakin  
You hear what I said  
I feeeel just like Anakin  
You know what I mean  
I feel like Anakin, oh yeah, oh yeah
