

Back Problems

Trevor Jackson

(Are you kiddin' me?)

We went to the doctor 'cause she had some pain (Pain)
He was asking us questions, we didn't know what to say (Grr, baow)
All we know is that she can't, she can't walk the same
Finally I had to speak up and say I was to blame
I'm the reason that she got back problems, ooh, yeah, uh (Problems, o
oh, yeah, uh)
Ooh-woah, oh-oh, oh
I'm the reason that she got back problems, ooh, yeah, uh
That's why she can't move, yeah, the way she used too, yeah

I'm the reason that she feel this way
Sorry doc but I got carried away
I'm the reason that she got back problems, ooh, yeah, uh
I'm guilty as hell, I'm why she can't walk by herself
I'm the reason that she got back problems

Problems, oh my, oh my
She needs to be realigned 'cause her spine got beat up
They know we fuck them sheets up
It wasn't my fault, she kept screaming
"Boy, that ain't enough, go deeper, ooh"
So I did, so I put it in her ribs, yeah
She knows I care, I got a lot of fucks to give, yeah
Woah, oh-oh, woah, ooh-oh
Time to take a trip

A trip to go see the doctor 'cause she had some pain (Pain)
He was asking us questions, we didn't know what to say (Grr, baow)
All we know is that she can't, she can't walk the same
Finally I had to speak up and say I was to blame, yeah
I'm the reason that she got back problems, ooh, yeah, uh (Problems, o
oh, yeah, uh)
Ooh-woah, oh-oh, oh
I'm the reason that she got back problems, ooh, yeah, uh
That's why she can't move, yeah, the way she used too, yeah

I'm the reason that she feel this way
I'm sorry doc but I got carried away
I'm the reason that she got back problems, ooh, yeah, uh
I'm guilty as hell, I'm why she can't walk by herself
I'm the reason that she got back problems, ayy, yeah
Yeah, ayy
Oh, oh-oh, woah, oh

That sexual healing did some damage
Now she can't stand at all
