

Be Yourself

Trevor Jackson

I know you be in the club
I know all them girls you hang with
They be gassin' you up
You deserve more but you're impatient, yeah
You need some time, you need some time
Make up your mind, yeah, yeah, yeah, yeah (Yeah)

Girl, you only call when you're lonesome
You only wanna talk when you want somethin'
Tell me where we are, are we we doin' somethin'?
'Cause I need to know

Tell me how could we be something
When you're trying to be somebody else (Yeah, yeah, yeah)
(Yeah, yeah, yeah)
Tell me how can we be something
When you're everything to everyone else (Yeah, yeah, yeah)
(Yeah, yeah, yeah)

You keep on fallin' in love (Yeah)
In all the wrong places
Now you fuckin' with drugs
You know ya mama hate that shit, yeah
I'm not gon be the one to judge you
'Cause I remember when I was you
We all got a past, yes, I know this
Gotta let you know that I noticed that

Girl, you only call when you're lonesome
You only wanna talk when you want somethin'
Tell me where we are, are we we doin' somethin'?
'Cause I need to know

Tell me how could we be something
When you're trying to be somebody else (Yeah, yeah, yeah)
(Yeah, yeah, yeah)
Tell me how can we be something
When you're everything to everyone else (Yeah, yeah, yeah)
(Yeah, yeah, yeah)

Girl, you only call when you're lonesome
You only wanna talk when you want somethin'
Tell me where we are, are we we doin' somethin'?
'Cause I need to know
