

Bedtime Story

Trevor Jackson

My pillows ain't giving no comfort
And the fan is blowing way too loud
Even my heartbeat wakes me up
And I can't drown it out

'Cause my eyelids ain't heavy enough
And there ain't enough sheep on my ceiling to count

Ain't slept a wink since you left me
No inspiration to dream, baby
You're my bedtime story, bedtime
But I can't sleep no bedtime story, bedtime story ohhh

I never really liked this apartment, no
There's not enough windows
But that ain't the reason you left
I did that by myself
But I wish you'd come back before the sun comes up again, oh yeah

'Cause my eyelids ain't heavy enough (Oh no they ain't)
And there ain't enough sheep on my ceiling to count (ohhh)

Ain't slept a wink since you left me
No inspiration to dream, baby (Oh no baby, yeah)
You're my bedtime story, bedtime
But I can't sleep no bedtime story, bedtime story (bedtime baby ohhh)

You gotta let me read just a page of you, baby
You gotta help me sleep this ain't healthy, no way (no way)
Where's my bedtime story?
Just three words to my bedtime story, bedtime story ohhh

Every time I lay my head down,
Baby I, baby I, I'm thinking of you
Baby I, I'm thinking of you, yeah
Every time I lay my head down,
Baby I, baby I, I'm thinking of you
Baby I'm thinking of you

Ain't slept a wink since you left me (ohhh)
No inspiration to dream, baby
You're my bedtime story, bedtime (my bedtime)
But I can't sleep no bedtime story, bedtime story (girl no way, no)

You gotta let me read just a page of you, baby
You gotta help me sleep this ain't healthy (no way)
Where's my bedtime story? (Where's my bed?)
Just three words to my bedtime story, bedtime story (my bed)

Ohhh, I luh- love you, you, you
I luh- love you, you, you
