

## CoCo (R&B Freestyle)

Trevor Jackson

I'm in love with the coco  
Love it when she drop it low low  
H-ha-how she whip it, man I don't know  
That chocolate body got me so-oh

Lay it down, I can't resist  
Chocolate lips for breakfast  
Got her legs around me like a necklace  
Check the school like I'm in Texas (ohhh)  
Bust tonight and then chase and I'm sure that thing is a must  
But I'm who Nicki was talking 'bout when she want that anaconda  
(oh-ohhh)

She beggin' for it  
Yeah she beggin' for it  
Gotta give it to her,  
Imma give it to her  
She wanna play it cool though  
So I smacked her on the cool

I'm in love with coco  
Love it when she drop it low low  
H-ha-how she whip it, man I don't know (ohhh)  
That chocolate body got me so-oh (hey)

I'm in love with coco (I'm in love)  
Love it when she drop it low low (She drop it low)  
H-ha-how she whip it, man I don't know (ohhh, yeahhh)

Ahhh, I love the chocolate momma  
Ahhh, that it gon' stop me momma
