Why do you keep trying  
You'll never be able to do it  
You should just stop  
It won't be good enough  
Give up  
Give up  
Give up  
What will they think of you  
Stick to acting  
Just stick to acting  
Ha ha ha...  
Put the pencil down!  
What are you doing?  
No, no! Please!  
Aah...
