

# Different Story

Trevor Jackson

Young chad, you killed this track

You ain't gotta be more, yeah  
Baby that's a different story (Story)  
Got a [?] it's boring  
Way too high, I'm sorry  
Let me into your mind (Mind)  
I'ma make it rain, it's pouring (Pouring)  
Said the last nigga was boring (Boring)  
Baby that's a different story

Oh shit, baby let's take it to the bathroom  
Oh shit, hit from the back  
That's a different story  
Oh, nice and slow, yeah  
Got a little more, yeah  
Take me to the place in your little head

You ain't gotta be more, yeah (More)  
Baby that's a different story (Story)  
Got a [?] it's boring (Boring, yeah)  
Way too high, I'm sorry  
Let me into your mind (Mind)  
I'ma make it rain, it's pouring (Pouring in you)  
Said the last nigga was boring (So boring)  
Baby that's a different story

That's a different story  
Take your [?] up in [?]  
Different story  
I know me it's dangerous  
But we kinda make sense  
Don't you think?

You ain't gotta be more, yeah (More)  
Baby that's a different story (Story)  
Got a [?] it's boring (Boring, yeah)  
Way too high, I'm sorry  
Let me into your mind (Mind)  
I'ma make it rain, it's pouring (Pouring, lil' baby)  
Said the last nigga was boring (So boring)  
Baby that's a different story

They had you souring  
But don't trip, that's a different story  
Don't care what you had before  
This a different scenerio  
Trust me, baby this a different story
