

# From A Distance

Trevor Jackson

I want you  
I need you to need me  
I want you

She said I'm good love, enjoy, I wish you well  
That's the last thing she said to me  
So I tried to play cool and sit back, try not to feel too attached  
But girl I really, really want you back  
I guess I gotta, love on you from a distance  
Ever since you left, I left all my texts on read  
Lovin' you from a distance  
Why you actin' mean, leavin' all my dms on seen  
Lovin' you from a distance  
That's all I can do now, is love on you from a distance  
Ever since you walked out

She the girl that's supposed to wear the title  
She look like Rubi Rose, I hit the lotto, hit the lotto, yeah  
I'm singing mamma mia cause she sound like Bia Bia  
You pass a two-seater then you probably seen her  
Hittin' 125 in a rari  
She got it up and it's stuck like Cardi  
If anybody's seen her, tell her call me

Cause I'm just lovin' you from a distance  
Ever since you left, I left all my texts on read  
Lovin' you from a distance  
Why you actin' mean, leavin' all my dms on seen  
Lovin' you from a  
That's all I can do now  
Lovin' you from a distance  
Ever since you walked out, I'm just lovin' you from a distance  
I'm lovin' you from a distance, oh yeah  
I'm loving you from distance, yeah, distance, yeah  
I'm loving you from distance, yeah, distance, yeah

C'mon let's speak, baby  
I can believe that you're ignoring me, baby  
You must've changed your number  
So don't pretend that you, that you don't miss me while you're overseas, baby  
y  
I'm sick and tired of lovin' you from a distance, ay  
Lovin' you from a distance, oohh  
Lovin' you from a distance  
That's all I can do now  
Is love on you from a distance  
Ever since you walked out  
I hope you still love me from a distance  
Cause I'm still in love with you from a distance  
I'm lovin' you from a distance  
I'm lovin' you from a distance  
I'm lovin' you from a distance
