

# Guy On The Side

Trevor Jackson

I can feel it when you kiss me  
You know I love it when you touch me  
But I hate the way that you love me  
I'm too vulnerable, I can't let it show

So don't sell me your love  
That you know I cannot buy  
And I'm the guy on the side  
You belong to somebody else  
Girl, it's alright  
I'm thinkin' I'm in and I'm there  
Baby don't sell me no love  
That you know I cannot buy  
I'm just the guy on the side  
You belong to somebody else  
Girl, it's alright  
But it's getting harder to tell  
Who you in love with

I know I can't, can't go all in  
Or I'll end up, end up falling  
I know how to play the role  
But girl that shit is getting old (Getting old, yeah)  
If you didn't know, now you know

I can feel it when you kiss me  
You know I love it when you touch me  
But I hate the way you love me  
I'm too vulnerable, I can't let it show

So don't sell me your love  
That you know I cannot buy  
And I'm the guy on the side  
You belong to somebody else  
Girl, it's alright  
I'm thinkin' I'm in and I'm there  
Baby don't sell me no love  
That you know I cannot buy  
I'm just the guy on the side  
You belong to somebody else  
Girl, it's alright  
But it's getting harder to tell  
Who you in love with

I'm the one you run to every time you need something  
I'm the only one that knows how to keep your body cummin'  
That tidal wave, too high, no ceilings  
I'm not the only one that sees it

I know you feel it when I kiss you  
You know I love it when you touch me  
But I hate the way that you love me  
I'm too vulnerable (I'm too vulnerable), I can't let it show (I can't let it show)

So don't sell me your love  
That you know I cannot buy

And I'm the guy on the side  
You belong to somebody else  
Girl, it's alright  
I'm thinkin' I'm in and I'm there  
Baby don't sell me no love  
That you know I cannot buy  
I'm just the guy on the side  
Girl, it's alright (Alright)  
But it's getting harder to tell  
Who you in love with

Who you in love with  
When you kiss me in public, babe  
Yeah, do you trust this  
I know you love me  
Why don't you tell me, babe
