

He Don't Know

Trevor Jackson

Slow down
Breathe in
You have nothin' to worry about
Hold me
Don't be afraid to say that you're addicted to me
Can't keep distant from me

He don't know
What he don't know
He don't know
He don't know what he don't know
Yeah, he don't know
He don't know what he don't know
He don't know
He can't know 'bout what we do

Girl, you look good tonight
You make it hard to look away
Try not to be so obvious
I know you like my body yeah, yeah
I'm with the drama and the chaos
Keep winding and moving your waist, ah
Sorry your man haffi be replaced, ah

I'ma move your body like it's voodoo
Tell them bitches hatin' mind they business
We can catch a flight to Honolulu
Know you got a man, but how you feel about that?
I'll do what he doesn't, I promise I float on your water

Slow down
Breathe in
You have nothin' to worry about, baby
Hold me
Don't be afraid to say that you're addicted to me
Can't keep distant from me

He won't know what he don't know
What he don't know
He don't know what he don't know

I'ma move your body like it's voodoo
Tell them bitches hatin' mind they business
We can catch a flight to Honolulu
Know you got a man, but how you feel about that?
Feel about that
Know you got a man, but how you feel about that?
