- I miss you how is everything
- I miss you too
 - I just wanted to call you and ask um, if you could, just cause you know there's a lot of stuff been going on just been kind of lil stressed lil frustrated about certain things and I just wanted you to um, what's that, what's that verse you used to say to me all the time, I just want to hear it, hear your voice, I wanna hear you say it
 - For God has not given me the spirit of fear, but [?] of power, and I will sound mine
