

In This Crowd

Trevor Jackson

Girl you dangerous on fire
Hotter than a flame body glowing like a lighter yeahh
I'm so tempted to make my move cause I want my body on you all
night
Cause the beat rock banging hot do to much blow the spot
Save them kisses for later on
And when the bass drop don't you stop
Lights go off and your hands go up
Imma give you all I got but first

We gotta thank the DJ
Cause he's the reason why we dancing right now
So thank the DJ
Cause it feels like it's just us in this crowd in this crowd th
is crowd woahh
Girl it feel like it's just us in this crowd yeahh this crowd w
oahh
Cause it feels like it's just us in this crowd this crowd yeah

Party's over it don't matter
Girl I'm on you tryna hit it out the park like a batter yeahh
I'm so tempted to make my move
This might be a love girl tell me what you wanna do
Cause the beat rock banging hot do to much blow the spot
Save them kisses for later on
And when the bass drop don't you stop
Lights go off and your hands go up
Imma give you all I got but first

We gotta thank the DJ
