

# Puddles

Trevor Jackson

We done made it back to the room girl, let's get naked  
Hop up in the shower, I wanna taste it  
Been holdin' back all night so I wanna just come out and say it  
I'm gonna stay inside but girl I swear if it starts rainin'

I'ma be playin' in puddles, puddles  
I left my rain boots on  
'Cause I'm jumpin' in puddles, puddles  
Screamin' like a siren so if you put out that fire, oh  
Puddles, oh-ooh-ooh-ooh-ooh, puddles  
You just keep naked  
Puddles, puddles  
Now we gotta change the sheets 'fore we cuddle

I'm singing in the rain  
Just dancin' to the noise you're makin'  
I just love when we make love  
This here ain't somethin' that I could make up  
Candy-coated raindrops, oh  
That's how you taste to me, oh girl  
You ain't gotta hide your face, whoa  
Want you to see me while I'm sippin' on

I'ma be playin' in puddles, puddles  
I left my rain boots on  
'Cause I'm jumpin' in puddles, puddles  
Screamin' like a siren so if you put out that fire, oh  
Puddles, oh-ooh-ooh-ooh-ooh, puddles  
You just keep naked  
Puddles, puddles  
Now we gotta change the sheets 'fore we cuddle

I need need me more water, can I have a sip?  
Know you got some more now that I think of it, yeah yeah

Splashin' in puddles, puddles, whoa  
Like damn, girl, you done made a puddle, puddle  
Tell me while you get naked  
Puddles, puddles  
Yeah, yeah  
Makin' puddles, puddles  
Now we gotta change the sheets 'fore we cuddle
