

# Right Now

Trevor Jackson

Just stand right here  
Let me show you what I'm about to do to that body  
And come down here  
Let me show you where to touch my body  
Let the foreplay began  
Bet you never had this before  
Cause once I go in  
I'm gone have you begging for more

Girl I'm talking right now, right now, right now, yeah  
Right now, oh  
Can we make some love right now  
Like right now, right now, right now, oh  
Right now, oh  
Can we make some love like right now  
Right now, now, now  
Right now, now, now  
Oh yeah like right now, right now, right now, oh  
Yeah, I'm talking like right now  
Right now... yeah, yeah, yeah

Close your eyes  
The ice on your back got you so froze  
Yeah baby, yeah baby  
Now grab the sheets, yeah  
Cause girl I promise you gone need  
Something to hold on to (on to, on to)  
Let the foreplay began  
Bet you never had this before  
And once I go in  
I'm gone have you screaming for more  
I need you like right

Girl I'm talking right now, right now, right now, yeah  
Right now, oh (yeah)  
Can we make some love right now  
I said right now, right now, right now, oh  
Right now, oh  
Can we make some love like right now  
Right now, now, now  
Right now, now, now  
Oh yeah, like right now, right now, right now, oh  
Yeah, I'm talking like right now

Yeah, we really touching now  
Hands all on your body going up and down  
While you up and down  
Bae, you know I love it when you make that sound  
Yeah, we making love right now  
Said we really touching now  
Hands all on your body going up and down  
While you up and down  
Girl, you know I love it when you make that sound  
Yeah, we making love right now  
Right now babe, oh  
I don't think I can wait another day  
I... will make

Right now, ooh yeah  
Right now...

(Girl, you do that  
Promise I won't be uninvited to it  
Keep it a hunnid girl I'm the truest  
I ain't never been late ain't got no truancy  
So baby girl let's do this, yeah)  
And don't forget to bite your lips  
Let's begin
