With a super-plan
For your super body babe
It's super crazy

Let me rescue you
He's bout to break your heart
But he won't get through
If you let me be your guard
So hear me babe
I'm talkin' to you, babe
I'm swooping down to save you

From that future heartbreak
I can't let that heart break
I'mma be ya'...

Superman...
With a super-plan
For your super body babe
It's super crazy
I'm Superman
With a super-plan
For your super body babe
It's super crazy

I gotta get to you
No matter what it takes
Baby I'mma fight for you
No, it ain't no way
He ain't got nothing on me
Oh, he ain't seen nothing I see in you
That's why I'm swooping down to save you

From that future heartbreak

Superman...
With a super-plan
For your super body babe
It's super crazy
I'm Superman
With a super-plan
For your super body babe
It's super crazy

Look up in the sky
It's a bird, it's a plane
No baby, it's your man
Give me another, gotta fill me in,
sure I keep it because I can't...
Do nothing but love you

Baby I can't do nothing but love you
I'mma be...

Superman...
With a super-plan
For your super body babe
It's super crazy
I'm Superman
With a super-plan
For your super body babe
It's super crazy

It's super crazy babe
It's super crazy baby
It's super crazy babe
It's super crazy baby
