

# Tick Tock

Trevor Jackson

We got the kind of love you see on tick tock  
The kind of love that make you wanna lip lock  
I swear every time I see your body  
I realize you're not just anybody  
We got the kind of love you see on tick tock, yea yea  
The kind of love that make you wanna lip lock, yea yea  
I swear every time I see your body  
I realize that you're not just any body  
You're my baby

My little baby never flip flop  
I put diamonds all in her wrist watch  
And I'mma love her until it don't tick tock no more  
Give me that love you see on tick tock, yea...

If you tryna go viral  
You just gotta be you  
Can you do that huh  
Girl you're more than enough  
Every single post you shittin on em  
Girl you poppin like

Ah...  
You make me so proud  
When you do babe  
What you do babe  
How can you not stand out

We got the kind of love you see on tick tock  
The kind of love that make you wanna lip lock  
I swear every time I see your body  
I realize you're not just anybody

We got the kind of love you see on tick tock, yea yea  
The kind of love that make you wanna lip lock, yea yea  
I swear every time I see your body  
I realize that you're not just any body  
You're my baby

My little baby never flip flop  
I put diamonds all in her wrist watch  
And I'mma love her until it don't tick tock no more  
Give me that love you see on tick tock, yea...

She make me happy sad confused I'm mad I swear sometimes I can't lie  
But if you look around the world you still won't find a lover like mine  
You know that I get jealous  
That's why I don't read comments  
I know you love to shake it  
So promise me you'll do it for me  
When you do it for  
Baby, do it for me when you show it off  
Tell her that it belongs to me when you drop it low  
Promise me you will never leave

Because we got that love you see on Tik Tok  
The kind of love that make you wanna lip lock, yea yea

I swear every time I see your body  
I realize that you're not just any body  
You're my baby

My little baby never flip flop  
I put diamonds all in her wrist watch  
And I'mma love her until it don't tick tock no more  
Give me that love you see on tick tock, yea...
