Two Times

Trevor Jackson

You know I been scrolling for you
Double clickin' hopin' you'll notice
Can't believe you got me this open
I'm just hopin'–

That I can hit it two times
For the way that you postin'
Don't forget the way that you be posin'
Two times
'Cuz one just ain't enough
If you tryin' to get all my love, I need–
Two times, oh yeah, yeah
Yeah, oh yeah, yeah
Two times, yeah yeah
Yeah, yeah, yeah

Ah, shorty like to pop it 'cuz she got the bubble
Me and Trevor reunited so you know its trouble
Grab your girls and come over, don't want no rebuttals
Park your car in Hollywood and then hop in the shuttle
Ah, met a girl who sayin', she got a little nigga, ah, due in January
She don't got no proof, she don't got no cred
She don't want my love, she just want my bread
So, I gotta be careful with my soul
'Cuz I been lied to before
But I've never seen her move like y'all
I'm thinkin' for you I risk it all
One more time

You know I been scrolling for you
Double clickin hopin you'll notice
Can't believe you got me this open
I'm just hopin'–

That I can hit it two times
For the way that you postin'
Don't forget the way that you be posin'
Two times
'Cuz one just ain't enough
If you tryin' to get all my love, I need–
Two times, oh, yeah, yeah
Yeah, oh yeah, yeah
Two times, yeah, yeah
Yeah, yeah, yeah

Take you home, put it right in yo' tummy
When I'm done, do the verse and they wire the money
She said come back to bed 'cuz they overworkin' you, honey
Girl I gotta make bread 'cuz you ain't you when you hungry
You on deck, and you got two options
Sink or you gon' swim
And we got two bottles
Why are you gon' trip
'Cuz when it's this wavy
It be so wet
And you know that

You know I been scrolling for you
Double clickin' hopin' you'll notice
Can't believe you got me this open
I'm just hopin'-

That I can hit it two times
For the way that you postin'
Don't forget the way that you be posin'
Two times
'Cuz one just ain't enough
If you tryin' to get all my love, I need-
Two times, oh yeah, yeah
Yeah, oh yeah, yeah
Two times, yeah, yeah
Yeah, yeah, yeah
