

Why Worry

Trevor Jackson

Some random chick [?]
'Cause this isn't the first time, like I'm tired of it
Over and over and over
But baby it's Instagram
It's not dramatic
Why are we getting mad over Instagram?
Because I'm not comfortable and I'm not happy

You work harder, you badder, you smarter
So why would you worry 'bout them? (ou)
Girl you're thicker, you take better pictures
So why would I worry 'bout them? (ou)
Girl them comments and likes don't mean nothing
When you are the one that I'm with (you)
So don't you go worry 'bout them (you)
You don't need to worry 'bout them (no)

You ain't
You ain't
You ain't got to worry 'bout shit
You ain't
You ain't
'Ima make sure you're alright
Come on, let me see that smile
They know that we the perfect fit (yeah)
So they hatin' 'cause we what they not (oh yeah)
We're relationship goals for life (life)
Really all they 'tryna do is get you down, get you down
Don't let them drive us right off the road
Love you down, is all that I'm 'tryna do
So have a little more patience, little more faith, a little more faith in us
All I want I us (ou)

You work harder, you badder, you smarter
So why would you worry 'bout them? (ou)
Girl you're thicker, you take better pictures
So why would I worry 'bout them? (ou)
Girl them comments and likes don't mean nothing
When you are the one that I'm with (you)
So don't you go worry 'bout them (you)
You don't need to worry 'bout them (no)

You ain't got to worry
Everything is all good
I just think we argue little more than we should
But I love when you get angry a little
Make me wanna tame you a little
Know you like that
'Cause when the hard wood hits like hard wood
Out the park, you say you sorry, you've had a long week
You've been feeling less than special
Got a message
Girl saying she felt
You work harder, you badder, you smarter
So why would you worry 'bout them? (ou)
Girl you're thicker, you take better pictures
So why would I worry 'bout them? (ou)

Girl them comments and likes don't mean nothing
When you are the one that I'm with (you)
So don't you go worry 'bout them (you)
You don't need to worry 'bout them (no)

You ain't got to worry 'bout shit (no no)
'Ima make sure you're alright (yeah yeah)
Come on, let me see that smile (please)
They know that we the perfect fit
So they hatin' 'cause we what they not (oh yeah)
We're relationship goals for life (for life)
Really all they're 'tryna do is get you down, get you down
Don't let them drive us right off the road
Love you down, is all that I'm 'tryna do
Loving you is all that I'm 'tryna do
