

# Your Everything

Trevor Jackson

If nobody's told you that they're proud  
If the applause doesn't seem that loud  
If you don't have a shoulder to lean on, nothing to keep you warm  
And it feels like the world has let you down

Then I will be your everything  
I said I will be your everything  
If you don't have a shoulder to lean on  
Nothing to keep you warm  
Said I will be your everything  
And that's on everything oh

Go baby, go baby, go  
They try to copy but they can't fuck wit us  
You said you wanted it ready here I come  
Can you handle it all of it at once

I wanna be ya best friend  
I'll be ya mamma I'll be ya daddy baby  
I'll be ya brother, sister, and your auntie baby (Oh yeah)  
I'll be anything if it make ya happy baby  
I'll even jump in front of moving traffic baby (Oh yeah)

If nobody's told you that they're proud  
If the applause doesn't seem that loud  
If you don't have a shoulder to lean on, nothing to keep you warm  
And it feels like the world has let you down  
Let you down babe

I told you that I will be your everything  
I said I will be your everything  
If you don't have a shoulder to lean on  
I'll be your sun, your moon, your rain  
Said I will be your everything  
And that's on everything oh

Go baby, go baby, go  
They try to copy but they can't fuck wit us  
You said you wanted it ready here I come  
Can you handle it all of it at once

I'll be your E.V.E.R.Y.T.H.I.N.G  
That's who you gon' call on when you're mad at me  
I'll be your E.V.E.R.Y.T.H.I.N.G
