

Bad Bitch

Trevor Moran

Rollin' up in all Moschino, lookin' busy
Taking pictures, posing on the floor
Oh, wanna touch it? Gotta have it? Drives you crazy?
'Cuz it's different than any shit you've seen before

See my behavior?
Swifter than Taylor
Need an inhaler?

'Cuz I'm a bad bitch, bad bitch
Call it when I see it, when I see a bad bitch
That bitch, over there, that bitch, that's me, that's me
Bad bitch, bad bitch
Call it when I see it, when I see a bad bitch
That bitch, over there, that bitch, that's me, that's me

Bad intentions, careless habits get lifted?
The way I'm feeling, no one can afford
Spinnin', heads aroun, 'til they're gettin' busy
'Cuz it's different than any shit you've seen before

See my behavior?
Swifter than Taylor
Need an inhaler?

'Cuz I'm a bad bitch, bad bitch (Do you see this shit?)
Call it when I see it, when I see a bad bitch
That bitch, over there, that bitch, that's me, that's me
Bad bitch, bad bitch
Call it when I see it, when I see a bad bitch
That bitch, over there, that bitch, that's me, that's me

That's me, that's me
That's me, that's me

See my behavior?
Swifter than Taylor
Need an inhaler? (oh)
'Cuz it's different than any shit you've seen before (oh!)

Bad bitch, bad bitch
Call it when I see it, when I see a bad bitch
That bitch, over there, that bitch, that's me, that's me
Bad bitch, bad bitch
Call it when I see it, when I see a bad bitch
That bitch, over there, that bitch, that's me, that's me
Bad bitch, bad bitch (call it when I see it, when I see a bad-bad)
Bad bitch, bad bitch (call it when I see it, when I see a bad-bad)
Bad bitch, bad bitch
Call it when I see it, when I see a bad bitch
That bitch, over there, that bitch, that's me, that's me
