

# Crisis

Trevor Moran

Tired of the drinking, tired of the thinking  
Tired of everybody looking at me like a freak show  
You got me like oh, oh, oh  
Tired of the shaking, tired of the faking  
Tired of all the little voices in my head, I wanna go home  
You got me like oh, oh, oh

I can't control my mind  
Stay out 'til I go blind  
Can't fix what's broke inside  
Runnin' around in circles and I can't escape it

Cross my heart, I don't mean to go this crazy  
Trust so hard, but I lose it on the daily  
Cri-cri-cri, 'cause I'm too afraid to fight this  
Cri-cri-cri, 'cause I'm in a fucking crisis  
And I'll tell you, I'm cardiac arrested  
Do or die, I can feel it in my chest  
And I-I-I, I know I should probably fight this  
Cri-cri-cri, 'cause I'm in a fucking crisis  
Crisis, crisis, oh  
Cri-cri-cri, 'cause I'm in a fucking crisis  
Crisis, crisis, oh  
Cri-cri-cri, 'cause I'm in a fucking crisis

Everyday is massive, hiding is a habit  
Won't get out of bed, won't get out of my head, oh  
You got me like oh, oh, oh

I can't control my mind  
Stay out 'til I go blind  
Can't fix what's broke inside  
Runnin' around in circles and I can't escape it

Cross my heart, I don't mean to go this crazy  
Trust so hard, but I lose it on the daily  
Cri-cri-cri, 'cause I'm too afraid to fight this  
Cri-cri-cri, 'cause I'm in a fucking crisis  
And I'll tell you, I'm cardiac arrested  
Do or die, I can feel it in my chest  
And I-I-I, I know I should probably fight this  
Cri-cri-cri, 'cause I'm in a fucking crisis  
Crisis, crisis, oh  
Cri-cri-cri, 'cause I'm in a fucking crisis  
Crisis, crisis, oh  
Cri-cri-cri, 'cause I'm in a fucking crisis

Don't know if I'm gon' be alright (Alright)  
But you know I will try (Try), yeah you know I will try (Try)  
Don't know if I'm gon' be alright (Alright)  
But I'm taking my time (Time), so I let myself cry, cry, cry

Crisis, crisis, oh  
Cri-cri-cri, 'cause I'm in a fucking crisis  
Crisis, crisis, oh  
Cri-cri-cri, 'cause I'm in a fucking crisis  
Crisis, crisis, oh

Cri-cri-cri, 'cause I'm in a fucking crisis  
Crisis, crisis, oh  
Cri-cri-cri, 'cause I'm in a fucking crisis
