

When I'm Sober

Trevor Moran

No
I feel a shitty feeling in my bones
'Cause I've been on my couch drinking alone
Why do it like that?
Why do I do things like that?
Like that

Why, God?
Why'd I put myself in this position?
I can't fucking handle it
Why not?
Have another sip
I'll just forget (I'll just forget)

I'm looking at my house, I'm looking at fame
I'm looking at everything around me
I'm looking at money, I'm looking at cars
But it don't mean shit to me
When I'm sober, when I'm sober
When I'm sober, oh-oh

I don't give a shit if it's dry or on the rocks, 'cause baby
I just only care as long as it is a shot (oh, baby)
One down and another (And I know)
Two down and another (And I go)
Down, down, down, down

Why, God?
Why'd I put myself in this position?
I can't fucking handle it
Why not? (Why not?)
Have another sip (have another)
I'll just forget (and another, and another, and another, ay)

I'm looking at my house, I'm looking at fame
I'm looking at everything around me
I'm looking at money, I'm looking at cars
But it don't mean shit to me
When I'm sober, when I'm sober
When I'm sober, oh-oh

(Oh-oh, oh-oh
Oh-oh, oh-oh)

(Why'd I put myself in this position?) (Oh-oh, oh-oh)
(I can't fucking handle it)
(Why'd I put myself in this position?) (Oh-oh, oh-oh) have another
(I can't fucking handle it)
And another, and another, and another, ay

I'm looking at my house, I'm looking at fame
I'm looking at everything around me
I'm looking at money, I'm looking at cars
But it don't mean shit to me
When I'm sober, when I'm sober
When I'm sober, oh-oh

(Oh-oh, oh-oh
Oh-oh, oh-oh
Oh-oh)
