

Halfway Home

Trey Anastasio

Oh-oh, oh
Oh-oh, oh
Driving downtown in that green Cadillac
Shakalak rockin', the chills are back
Walked outside in your winter coat
But those arms were still around your throat
Down at the Eldo on a Friday night
The room was spinnin' and the lights were bright
It was beautiful 'til the house burned down
You fell apart just to be reborn from the ashes
Now this place is too quiet without you
The chain is broken
I tried so hard to keep it, when will I learn
Walked outside in my winter coat
I can feel you here in the cold

And we can walk together
'Cause you know you're not the only one halfway home
Halfway home
Time slows down, way slow (Time slows down, way slow)
Time slows down, way slow (Time slows down, way slow)
Time slows down, way slow (Shakalak rock, yeah, Shakalak rock)
Time slows down, way slow (Shakalak rock)
Time slows down, way slow (Time slows down)
Time slows down, way slow (Shakalak rock, Shakalak rock)
Time slows down, way slow (Shakalak rock, Shakalak rock)
Time slows down, way slow (Shakalak rock)
