

Mr. Completely

Trey Anastasio

Hearts will billow when the dream, dream comes and it
comes in to me.
Hearts just take off on my stream, stream, stream and it
does come to me.
Hearts will billow when the dream, dream comes and it
comes in to me.
Hearts just take off on my stream, stream, stream and it
does come to me.

Comes in completely in, comes in completely in.
Comes in completely in, comes in completely in.
