

## Find A Place

Trey Songz

Baby it appears that you've... done something to me  
And I don't know what you did  
But you done did it girl  
Yeah, you done did it

Ooh honey, I could have all the money in the world  
But it wouldn't be nothing without you girl  
And ooh baby you could offer me all the ladies in the world  
But I don't want one cuz ain't none like my girl  
And baby tell me how can I explain it  
A love bullet went through my soul  
You took my heart and rearranged it  
And now you got full control  
My mistakes and my bad ways  
Girl you made a change in this man baby

I don't want to touch another  
I don't want to feel another woman  
Never gonna be another  
I ain't gotta see another woman (Nobody but you girl)  
Lover come close to me  
Let me have my way do all I want  
Put your body where its supposed to me  
Ain't gotta worry 'bout me  
Cuz all I want is to please, to kiss, to find a place inside  
Your Love  
I'll do whatever I need to find a place in your love

Ooooh you just got me feelin like a nigga need sexual healing  
Ooooooh, ooh babe, ooh babe  
Don't you go no further  
Don't be no distant lover  
No baby  
And if you let me get it right her, right now I swear  
When you let me get it inside you'll feel I care

I don't want to touch another  
I don't want to feel another woman  
Never gonna be another  
I ain't gotta see another woman (Lover come close)  
Lover come close to me  
Let me have my way, do all I want  
Put your body where it's supposed to be  
Ain't even worried bout me  
Cuz all I want is to please, to kiss, to find a place inside  
Your Love  
I'll do whatever I need to find a place in your love

I just want to find a place baby  
Inside of you, you, you, you  
Let me get it right here right now  
Baby girl I swear  
If you let me get it  
You gon' feel I care  
Oh, Oh, Oh  
You gon' feel I care  
Wooahhh

Baby you gon' feel I care  
Yes I care

Thank you all  
Thank you all

This is anticipation II
