

# I Invented Sex

Trey Songz

This goes out to the beautiful girls  
Which one of yall, which one of yall  
Which one of yall goin' home wit trigga

Sittin at the club oo shawty  
Walkin past a nigga lookin at me all naughty  
Then I said baby wassup  
Reach for that hand shake got a hug  
Bottles of H got me wit a lil buzz  
Up in VIP wit all my thugs niggas  
U leaned over and said you want me  
Girl when the vallet pull the benz up  
Off to the crib shawty where we gon end up  
Girl sit back relax hold up  
Let me turn the radio on

Girl when I get you to the crib (let me get you to the crib)  
Upstairs to the bed (upstairs to the bed)  
Girl you gonna think (4x)  
Girl when I pull back them sheets  
And you climb on top of me  
Girl you gonna think (4x)  
You gonna think I invented sex (3x)

Put the code in the gate  
Pull up to the driveway  
Cause she like the way I touch her  
Listenin to usher I got a confession  
kno we bout to sin but your body is a blessing (Father forgive me)  
Can we take it up stairs  
My bed's waiting there  
All I want to do is  
Give you all of me  
And want you give me all of you  
I want your body like right now (right now)  
You know I live a magnum lifestyle (lifestyle)  
Baby turn the lights down  
And ima turn you on

Girl when I get you to the crib (let me get you to the crib)  
Upstairs to the bed (upstairs to the bed)  
Girl you gonna think (4x)  
Girl when I pull back them sheets  
And you climb on top of me  
Girl you gonna think (4x)  
You gonna think I invented sex (2x)  
Cuz I do it like I did

Its a celebration clap clap bravo  
Lobster and shrimp and a glass of moscato  
For the girl who's a student and the friend who's a model  
Finish the whole bottle and we gon do it big like this  
Yea and he was just practice  
He aint in your world you can take him off your atlas  
Girl you on fire can I be the one you match with  
Ill give you the credit card and baby you can max this out  
Show me where your tats is

show me where you heads at  
Maybe I can grasp it  
If you ever come up wit a question you should ask it  
Caught up on your ex still I can get you past it  
Yea and your friends all suggest  
What's the chance of this nigga being betta than the rest  
Just tell em you appreciate the help  
But you just got to know for yourself

Girl when I get you to the crib (let me get you to the crib)  
Upstairs to the bed (upstairs to the bed)  
Girl you gonna think (4x)  
Girl when I pull back them sheets  
And you climb on top of me  
Girl you gonna think (4x)  
You gonna think I invented sex (3x)
