

Inside Enterlude

Trey Songz

Girl you so beautiful
I love the way you feel inside
But I don't want you to think
I just want your body
I want all of you ,of you
I don't nobody but you,no
Just want your body
I want all of you
Oh,oh,oh
Sweat dripping off your body
I feel,I feel,I feel good
Ain't nothing better than being inside
Girl you know,girl you know very well
So,deep inside,deep inside your love
Deep inside
Oh,oh,oh
