

## Inside Interlude

Trey Songz

Girl you so beautiful  
I love the way you feel inside  
But I don't want you to think  
I just want your body  
I want all of you, of you  
I don't want nobody more than you, no  
Just want your body  
I want all of you  
Oh, oh, oh  
Sweat dripping off your body  
I feel, I feel, I feel good  
Ain't nothing better than being inside  
Girl we doing what we doing very well  
So, deep inside, deep inside your love  
Deep inside  
Oh, oh, oh
