

Skrt, skrt  
Skrt, skrt  
How do you even do that shit? Let's go  
Let me hold that shit

Deep off in the valley, yeah hoe, that's where I stay  
When the house phone ring, yeah that mean you have the cake  
Said her ex keep calling and that nigga in the way  
Sent a ticket to her iPhone, now she on the way  
Touchdown in LA, yeah she beg for the trip  
Shawty bad as fuck, shit, with them Dolly Parton tits  
Uber never coming here, told her I'm a send a Lyft  
Canada John's coming here since 2006  
And you can never fuck me, girl if you ain't sucking dick  
And no we never fucking, 'less you hear that wrapper rip  
Uber never coming here, throwing hoes in the Lyft  
Uber never coming here, throwing hoes in the Lyft

She ain't never been, so I took her out the hive  
We should call another Lyft, they can't fit up in the ride  
Freak rolls in the 5th, 3 hoes in the VIP  
3 hoes turn to 6, I'm too old for this shit  
Need another old Perc, shit who ever got it works  
She got Xans in her purse, got my hand up her skirt  
Rolling with some niggas that don't play to fuck around  
Hey girl, I know you know them niggas, they should stay the fuck from round  
Shooters every fucking where, even when I'm outta town  
Shoot from every fucking where, even when we outta bounds  
You a referee snitching and a referee missing  
Where you get your pills from? Who fill out that prescription?  
Where you get your heels from? Who got you them 6 inches?  
All types of signs on, homies Blood and Crippling  
All typps of lines, swear I caught some bitches sniffing  
Uber never coming here, if we did, it would be different

Uber never coming here, throwing hoes in the Lyft  
Uber never coming here, tell them hoes get they shit  
Uber never coming here, throwing hoes in the whip  
Uber never coming here cause we far as a bitch
