

Scratchin Me Up

Trey Songz

When we hop up in the bed
You know what it is
You gon be on me I'm a be on you
And it feels so good, I gotta have it
Don't it feel so good way you be grabbin

The sheets the pillows the dresser
The covers the mattress the passion
Making love girl you scratchin me up
But it's cool cause I love when we touchin
I love when we kissin
Sexin you be scratching me up...

Pose for the camera while it flash (flash flash flash)
Take pictures while we kiss I grab yo ass (ass ass ass)
Nasty love passion love give it up
From beginning to the end the way we get it in

Can't another couple compete when we in the sheets
Breakfast in bed love the way I eat
I love the way it beat we a couple freaks
Rockin to the rhythm and the rhythm of the beat
It's yo body on my body
Clap clap clap when it back back back smack smack smack
When I act like that she react right back...

Pullin on...

The sheets the pillows the dresser
The covers the mattress the passion
Making love girl you scratchin me up
But it's cool cause I love when we touchin
I love when we kissin
Sexin you be scratching me up...

(Then I go a lil deeper)
Sexin you be scratching me up...
(Then she scratch a lil harder)
Ohhh girl you scratching me up...
