

Sleepless Nights

Trey Songz

Oh, oh, oh, oh
Orejebu
Oh, oh, oh
Yeah-yeah, yeah
Yeah-yeah, yeah

Nights like these
Make me wish I never fell in love with you
Time flies by
I text get no reply, get no reply from you (No, no)
You just keep playin' games
Things ain't the same for me and you
Tell me why?
You were my all but I'm no longer scared, scared of losin' you (Hmm-hmm, hmm-hmm, oh no)

Colors of the sky, used to be blue, but now they changin' you
Quick to say I'm wrong, but you're so slow to see it from my view
Love shine like the sun, then disappear just like the mornin' dew
You want loyalty, but you can't have your cake and eat it, too, you know? No

Sleepless nights when you're not around
Who do you fuck when I'm not in town?
My mind is racin', I need to slow down, whoa, no (Oh)
Sleepless nights when you're not around
Who do you fuck when I'm not in town?
My mind is racin', I need to slow down

What you not gon' do
When you downtown, out all night
I don't call you right
But you downtown, out all night (Orejebu)
I don't you call you right
But you downtown, out all night
Downtown, out all night

You dey online, but you no dey reply
Too many things goin' through my mind
Got me fucked up, you no dey try
Callin' your phone, why you no dey pick up, yeah?
That's when she come and apologize
Don't want to see you with another guy
You no dey fuck with me, look me in the eyes
Mi ah no dey fire, hoop, I hope you realize (Oh, oh)
Times like these
They make me feel like seh
I've been there wastin' my time (My time)
Not gon' sleep, I just take up my breath
That's just 'cause I can't stop thinkin' of you (Oh-oh, oh-oh, hey)

Do you know? (Oh-oh, oh-oh)
Sleepless nights when you're not around
Who do you fuck when I'm not in town?
My mind is racin', I need to slow down, whoa, no (Oh)

What you not gon' do
When you downtown, out all night

I don't call you right
But you downtown, out all night (Downtown, out all night)
I don't you call you right
But you downtown, out all night
Downtown, out all night

Is time for give it up now?
Was it love or was it lust now?
Tell me who the fuck I'm 'posed to trust now?
Gyal shine like bust down
Girl why let me down?
Come wine on me now, now
There was a time I thought we'd make it through
You want loyalty, but you can't have your cake and eat it, too, you know? No

Do you know? (Oh-oh, oh-oh)
Sleepless nights when you're not around
