

## Talk About It

Trey Songz

I don't wanna talk about it  
I don't wanna talk about it  
I don't wanna talk about it  
I don't wanna talk about it

She cares too much, I care enough  
I love her, but, never said enough

My mind is so heavy and time doesn't let me think about shit  
So much stress in my life that I'm holdin' inside, then I think  
about this

She said we ain't gotta talk about it  
If I don't wanna talk about it  
But if I wanna talk about it  
She's all ears  
She says she's really worried 'bout me  
But if I ain't really worried 'bout it  
She ain't really trippin' on it  
But she's still here

I said that I had a thing to hide  
My life, my life, losing my damn mind  
She said, "put it aside, I'll hold your pride"  
And I can't ever explain why I ain't got time  
Addicted to these girls, all around the world  
Always want a new one  
And it's, "Can I get a favor?" Throw me little paper  
Everyone needs something
