

What Do You Want

Trey Songz

What do you want from a brother like me
I ain't really got much to give
Got some bills pass through
I drive a hoopty ain't nothing in my fridge
Get so much love to give

What do you want from a brother like me
I ain't really got much to give
Got some bills pass through
I drive a hoopty ain't nothing in my fridge
Get so much love to give

Check it out
So what do you want

So many things that I wanna give you baby
Ain't got much dough so I'm just tryna love you baby
I know you think that I'd be ballin' much
But I got plenty issues baby
So if you wait patiently
We can make love while you're waiting

What do you want from a brother like me
I ain't really got much to give
Got some bills pass through
I drive a hoopty ain't nothing in my fridge
Get so much love to give
So what do you want

What do you want from a brother like me
I ain't really got much to give
Got some bills pass through
I drive a hoopty ain't nothing in my fridge
But get so much love to give
So what do you want

I know that you want a dude that can splurge on you
I wish, that I could
But that ain't something I can do

I ain't the type of guy
That can't go out and buy
You everything that you may need
(But I) But I'm 'a love you right girl
It's gon' take some time
But put your trust in me

What do you want from a brother like me
I ain't really got much to give
Got some bills pass through
I drive a hoopty ain't nothing in my fridge
Get so much love to give
So what do you want

What do you want from a brother like me
I ain't really got much to give
Got some bills pass through

I drive a hoopty ain't nothing in my fridge
Get so much love to give
So what do you want

What do you want from a brother like me
I ain't really got much to give
Got some bills pass through
I drive a hoopty ain't nothing in my fridge
Get so much love to give
So what do you want

What do you want from a brother like me
I ain't really got much to give
Got some bills pass through
I drive a hoopty ain't nothing in my fridge
Get so much love to give
So what do you want

What do you want from a brother like me
I ain't really got much to give
Got some bills pass through
I drive a hoopty ain't nothing in my fridge
Get so much love to give
So what do you want

What do you want from a brother like me
