

You Can Get It

Trey Songz

All I got is 5, 10 20's in my pocket
I'm giving 5, 10, 20 when she drop it
Yo nigga crazy when she tell me how she want it
And she says uh huh uh huh and I'm on it
Baby made it clap like a crowd right after my show
Then she spread it open and showed me some more
Then she made it drop till her booty hit the floor
Baby grab your coat, let's go, let's go (come on)
Aye oh, (all my niggas say), aye oh, (uh huh, now all my thugs say) aye oh
(Huh, now all my niggas say) aye oh
You can get it if your with it let me hear you say

Uh huh (shake yo ass)
Uh huh (make it bounce)
Uh huh (drop it low)
Uh huh (stick it out)
Uh huh (bring it back)
Uh huh (d its fat)
You can get it if your with it let me hear you say
Uh huh (shake yo ass)
