

CLOSER

Triathlon

You gotta get it or it's over
You gotta get in the light
And if you look a little closer
You're gonna see when it's right

You gotta get it or it's over
You gotta get in the light
And if you get a little closer
You're gonna see when it's right

I hope you never take a fall to the side where it's dark and there's nothing at all

I hope you never take a fall to the side where it's dark and there's nothing at all
