

Come Thru

Triathalon

I've been waiting for a long time
I've been waiting for a long time baby
I've been feeling so lonely
I've been waiting in a snap time hazy

Can't stop thinking about you
Can't stop thinking about you baby
Cause I've been waiting for a long time
I've been waiting in a snap time hazy

With the lights down low
I don't even wanna go home
I just wanna help you get out of those clothes
I just wanna get this thoughts out of my soul

With the lights down low
I don't even wanna go home
I just wanna help you get out of those clothes
I just wanna get this thoughts out of my soul
