

Get Back

Triathalon

I wish that I could
Get back to you
I'm sick of myself
It's hard to choose
When you wake up early
I'll be down town at the bar getting groovy
Cause I'm sick of my job that consumes me
I'm just another guy that only dreams of moving

I think that I should
Get back to you
I'm sick of myself
It's hard to choose

I think that I should
Get back to you
I'm sick of myself
It's hard

When you wake up early
I'll be down town at the bar getting groovy
Cause I'm sick of my job that consumes me
I'm just another guy that only dreams of moving

Only dreams of moving
Only dreams of you
