

Time

Triathlon

I don't wanna waste my time
I don't wanna change my mind
I just wanna get what's mine
(Can I get what's mine?)
I've been working, I've been moving
I don't know what you've been doing
I've been focused, I've been cruising
I've been trying to get to you and

Tell you that I'm on the way
I just need the time and place
Are you gonna ride the wave?
Are you gonna die today?

I know this is not my problem
I'm just getting caught up
I don't wanna fall off
I know this is not my problem
I'm just getting caught up
I don't wanna fall off

Tell you that I'm on the way
I just need the time and place
Are you gonna ride the wave?
Are you gonna die today?

I feel the dark night creeping on me
I feel the dark night creeping in
I feel the dark night creeping on me
Tell you that I'm on the way
Tell you that I'm on the way
Tell you that I'm on the way

I've been holding on for too long
I can't help, my feeling's gone
Tell you how I see it 'cause I never wanna leave you, baby
I've been holding on for too long
