

I want to see you, get back to your old ways  
So you can be happy  
I want to feel you, and I hope that this moves you  
So you can be happy

Waiting on the day  
Blame it on the love  
Think'n about you, babe  
Why is it so tough?

I want to see you, get back to your old ways  
So you can be happy  
I want to feel you, and I hope that this moves you  
So you can be happy

Waiting on the day  
Blame it on the love  
Think'n about you, babe  
Why is it so tough?
