

Tokyo

Tribal Seeds

Over land over waters I path has been laid to greet the rising
sun
By the locks of I head, still I trod down the narrow streets of
foreign land
Abroad de I yard now
Far off still I walk now
My soul's redeemer now
I hearts carried up

Till I go
Wander and roam
Gonna miss you so
Gwan a Tokyo

Till I go

Rising up just to walk more mile
Rounds of the streets for awhile
Kawaii gyal them greet I with a smile while getting drunk (ahh)
Forging of the sword stockpile
Karaoke in a roots rock style
Moe a get the little gyal so beguiled while getting drunk
Abroad de I yard now
Afar still I walk now
My soul's redeemer now
I hearts carried up

Till I go
Wander and roam
Gonna miss you so
Gwan a Tokyo

Till I go
Wander and roam
Gonna miss you so
Gwan a Tokyo

Till I go
Roam
So
Gwan a Tokyo

Till I go
Wander and roam
Gonna miss you so
Gwan a Tokyo
