

## Girlfriend

Tribes

I say I love you but I'm lying when I mean it  
This situation is just running dry  
Sooner or later someone's gonna see it  
Past the shadows of your eyes

My girlfriend doesn't love me  
My haircut doesn't suit me  
My best friend thinks I'm lazy  
But I don't care, they don't know me  
Yeah yeah yeah yeah yeah  
I keep my voice low so I don't wake you  
Slip out the back just so you don't see  
I'm sorry darling I just don't miss you  
Head on my shoulders and I feel free

My girlfriend doesn't love me  
My haircut doesn't suit me  
My best friend thinks I'm lazy  
But I don't care, they don't know me  
Yeah yeah yeah yeah yeah

Follow me and you alone somewhere in a house together  
Makes me feel a brand new lost little boy running home forever

My girlfriend doesn't love me  
My haircut doesn't suit me  
My best friend thinks I'm lazy  
But I don't care, they don't know me
